EXPERIENCE

Situation Interactive — Senior WordPress Developer

JANUARY 2018 - MARCH 2026

Lead developer at a digital agency specializing in Broadway and performing arts. Built and maintained 75+ web properties on a 4-person full-stack team, including platforms for Tony Award-winning productions and enterprise multisite networks serving 4M+ annual ticket buyers.

Day-to-day: Claude Code, WordPress (Gutenberg), PHP, React, ES6, Vue, SASS, Git/GitHub, Docker, MySQL, Plesk.

Vincent Ragosta Inc. — President, Full Stack Engineer

JUNE 2020 - PRESENT

Independent practice building custom WordPress platforms across entertainment, e-commerce, hospitality, and nonprofit sectors. Developed a reusable parent-child theme framework with dependency injection, automated testing, and scalable architecture deployed across client engagements.

Day-to-day: Claude Code, WordPress (Gutenberg), PHP, React/ES6, SASS, Docker, Git, AWS/DigitalOcean.

StoryCorps — Senior WordPress Developer

JUNE 2015 - JANUARY 2018

Built and maintained 5+ digital properties for the nationally recognized oral history nonprofit. Full-stack WordPress development supporting StoryCorps' mission-driven platforms during a period of national expansion.

Day-to-day: WordPress, PHP, Linux, Vagrant, HTML, CSS, JavaScript (Backbone.js).

EDUCATION

Brooklyn College, Brooklyn NY — Bachelor of Science in Computer Science

SEPTEMBER 2012 - MAY 2015
